Fig. 1. Lexis Nexis appearances of "fake news" in newspaper coverage in the United States and globally show an increase in the yearly frequency with which newspapers have used this specific phrase and have arguably given prominence to its false connotations among audiences.

Graph: Main Source of News

Misinformation vs Fake News?

- Fake news: News stories that are false: the story itself is fabricated, with no verifiable facts, sources or quotes.
- Could be political conspiracy, or target famous people.

What has been done?

- Establishing Fact checking teams, big social media companies.
- Showing false information lower in Feed.
- Using technology to find copies of false information.
- Taking action against repeat offenders

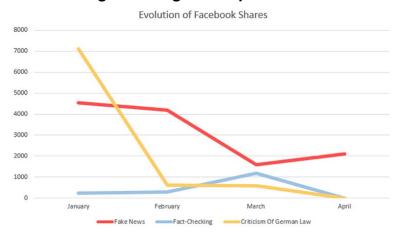

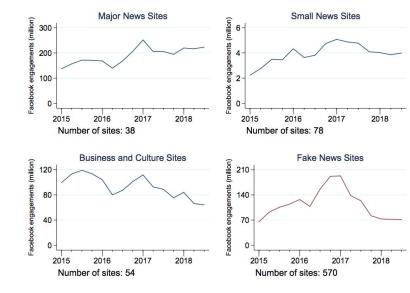

Figure 1: Engagement on Facebook and Twitter

What can be done?

- Fake news is a problem for all. So we all have to solve it.
- Education.
 - We can all learn to be better critical thinkers.
 - What's the underlying source for its information hearsay?
- Strengthening what's working:
 - Strong social media regulations.
 - Making fact-checking and reporting easy and engaging.
- Making information(TRUE) easily available as possible.
